SYMPOSIUM DATES

The conference organized thirdly by Bektas Veli University will be held in Istanbul, Turkey during June 26-28, 2020. The IMSMATEC 2020 aims at presenting researches being carried out in the areas of Materials Science, Mechanical Engineering, Metallurgical Engineering, and Mining Engineering for scientists, scholars, students from the universities, technicians, entrepreneurs and policy makers all around the world. Thus, the IMSMATEC 2020 provides an opportunity for the delegates to exchange new ideas and experiences face to face, to establish research relations and to find global partners for future collaboration. We hope that you will participate in the IMSMATEC 2020 with new insights.
