

AGRIBALKAN 2021
III. BALKAN AGRICULTURAL CONGRESS
August 29th - September 1st, 2021, Edirne, Turkey
www.agribalkan.net

Dear Colleagues,

We invite you to our AGRIBALKAN 2021 congress will be organized by Trakya University supporting with Trakya Universities Union, Balkan Universities Association, Namık Kemal University, Onsekizmart University, Turkey, Kırklareli University, Uludag University, Turkey, Agriculture University of Plovdiv, Trakia University - Stara Zagora, Bulgarian Agricultural Academy of Science, Democritus University of Thrace, Greece and together with other Balkan Universities and Institutions.

However, if travel restrictions and some limitations for meeting still continue due to COVID-19 situation in September 2021, the congress could be fully online as digital event, in lieu of an in-person event or combining with limited normal participation and online because organizing committee always considers firstly the health, safety, and security of conference attendees as its top priority.

The aim of our international congress is to present the newest research results and research goals, analyze current conditions and perspectives in agriculture. After organizing the first one with over 700 participants in 2014, we will organize the 3rd one in Trakya University again. Congress fee is 100 Euro, late registration (after July 21st) is 150 Euro; (for students early 50 €, late 75 €), Turkish participants; early 400 TL, late 600 TL; Turkish students 200 TL, late 300 TL including congress bag, flash memory, lunches, and cofee breaks.

Our event will be Green Congress basis so as much as less papers will be used and with carrying out our environment. E - Posters will be exhibited in electronic boards and web page during the congress.

The selected abstracts will be published in the Conference Abstract and Proceedings Book. Participants might send us their full papers, which based on their preferences will be published either in our Conference Abstract and Proceedings Book or in selected International Indexed Scientific Journals.

The best five selected full papers related to food science will be published in SCI indexed Journal; Journal of Food Processing and Preservation.

The best three selected full papers related to soil science and plant nutrients will be published in Scopus indexed Journal; Eurasian Journal of Soil Science

There is other options also to publish your papers in our international indexed journals too. All virtual and normal participants will receive participation certificates and a copy of the Conference Abstract and Proceedings Book, which will be sent as a PDF file via email.

Abstract deadline is July 21st.

Congress language is ENGLISH but it could be possible also Turkish, French and Russian.

See you in our Congress.

Prof Dr Yalcin KAYA
Head of Organizing Committee
