

Our Values:

The values which are accepted by our university are the values we have as Canakkale Ceramics Research Development and Application Center.

These are:

- Justice and merit
- Belonging
- Environmental awareness
- Democratic participation
- Freedom of thought and expression
- Ethical behaviour
- Respect for universal values
- Respect for diversity
- Entrepreneurship, Innovation and Creativity
- Accountability
- Collaboration, Solidarity and Sharing
- Quality Culture
- Integration with the City
- Transparency
- Protecting Its History and Geography
- Productivity
- Lifelong Learning
