

# INFORMATION LETTER

**Department of Education and Science of the City of Moscow  
Moscow City University  
Institute of Psychology and Comprehensive Rehabilitation**

invite

supplementary education teachers, methodologists, psychologists, and teaching staff implementing supplementary general education programs of various orientations in an inclusive environment of general education organizations, in special (correctional) educational organizations, supplementary education organizations, and other institutions of culture and sports working professionally, including with children and youth with disabilities,  
to participate in

## **III All-Russian Festival of Inclusive Practices in Supplementary Education (with international participation)**

### **Date and time:**

April 23, 2026 — 11:00–18:30

April 24, 2026 — 11:00–15:00

The main **goal** of the Festival is to support the best inclusive practices in supplementary education for children and youth with disabilities, as well as to promote and disseminate these practices within the system of training specialists in special and inclusive education.

### **Objectives of the Festival:**

to develop sustainable interest in supplementary education as a means of future professional self-determination of students through the development of an inclusive culture in supplementary education and the professional and scientific recognition of this part of continuing education within the pedagogical community;

to attract the pedagogical community to the issues of inclusive education and development of children and youth with disabilities, the formation of their civic identity, the ideas of unlimited possibilities of persons with disabilities, the development of creative potential and personal growth, self-activity and professional self-determination, and improving quality of life;

to identify talented teachers, support and reward them, and increase the prestige of the profession of supplementary education teacher;

to disseminate the best inclusive pedagogical technologies and new forms of work with children and youth with disabilities;

to improve methodological competence and the quality of methodological support of adapted supplementary general education programs of various orientations.

### **Registration for the Festival:**

Registration is carried out by completing the Yandex form:

For speakers: <https://forms.yandex.ru/cloud/69985de1493639bcf7236bb3>

For participants: <https://forms.yandex.ru/cloud/69985e646d2d73c412a9f954>

Participation in the Festival as a **speaker** involves presenting successful inclusive practices in supplementary education in the format of a master class, case study, TED lecture, meetup, presentation, etc. The speaker may propose their own format for presenting their practice.

Inclusive practice may be presented in the format of an offline or online presentation, as well as in the form of visual content (video recording of a presentation with slides, recording of a lesson, etc.).

After registration, the speaker must send to the Organizing Committee a scanned application form with information about themselves and their inclusive practice (signed by the participant and the head of the organization and certified with the organization's seal), as well as a presentation or video materials (prepared according to the requirements) to the email address [festinclusion@mgpu.ru](mailto:festinclusion@mgpu.ru) by **April 6, 2026**.

The Festival program will be formed based on the submitted applications.

The decision on including an inclusive practice in the Festival program is made by the Organizing Committee.

**Festival venue:** 8 Panferova St., Building 2, V.I. Lubovsky Conference Hall, Moscow, 119261.

For participants who are unable to attend in person, the Festival will be broadcast via videoconference.
