

Dear Scholars,

We are pleased to announce that the **International Troy Congress (ITC 2026)** will be organized for the first time this year, hosted by Çanakkale Onsekiz Mart University. The congress aims to bring together scholars conducting research related to **Troy** and its multidimensional heritage, offering an international and interdisciplinary platform for academic exchange.

The main theme of the congress is **TROY**, and studies will be evaluated within this framework across the following disciplines:

- Troy and Archaeology
- Troy, Mythology, and Literature
- Troy, Art History, and Fine Arts
- Troy, Cultural Heritage Management, and Museology
- Troy, Tourism, and Guiding
- Troy, Digital Archiving, Technology, and Innovative Approaches
- Troy, Business, and Economics
- Troy and Geography and Climate Change
- Troy and Health Sciences

Deadline for Abstract Submission: July 7, 2026

Early Bird Registration (Full Paper and Payment Submission): July 7 – August 5, 2026

Regular Registration (Full Paper and Payment Submission): August 11 – August 28, 2026

Congress Dates: September 24-26, 2026

Conference format: In-person

Çanakkale / Türkiye

Authors whose abstracts are accepted must submit their **full papers in order to present their work at the congress.**

We would be delighted to see your valuable contributions at ITC 2026 and kindly invite you to submit your work or share the congress announcement with colleagues and students working in related fields.
