

13th ERPA International Congresses on Education 2026

Call for Papers

23-25 September, Kastamonu University-Kastamonu/ Turkey

<https://www.erpacongress.com>

Dear Colleague,

It is with great pleasure to announce that the 13th ERPA International Congresses on Education 2026 will be held in Kastamonu/Turkey from 23-25 September 2026 (<http://www.erpacongress.com>). We hope that the conference will enable you to share your research with an international research community and to engage in discussion about the current issues in the field of education. Congress languages are English and Turkish. Ten branch congresses will be held concurrently in 13th ERPA International Congresses on Education 2026.

The main of ERPA International Congresses on Education is to make the researchers aware of current trends in different fields, learn about the research conducted in different areas and help them discuss new trends and encourage interdisciplinary research. Therefore, the theme of the 13th ERPA International Congresses on Education 2026 is "Artificial Intelligence in Education".

The ERPA International Congresses on Education will publish an "e-book of abstracts" and "e-book of full texts with ISBN." Meanwhile, selected proceedings will be sent to the journal of SHS Web of Conferences for publication. These proceedings should be well-written in terms of language use (the language of proceedings is English) and should be 5 to 8 pages in length. As is well known, full papers previously published in SHS Web of Conferences have been indexed in the ISI Web of Knowledge database. In addition, some selected proceedings can be referred for the publication in the journals that supporting the ERPA International Congresses on Education 2026. In that case the authors should obey the publishers' rules.

Thanks for your consideration and we look forward to meeting all of you in Kastamonu University-Kastamonu/Turkey from 23-25 September 2026.

Best regards,

Organizing Committee of 13th ERPA International Congresses on Education 2026
