Log in via your institution

> [OpenAthens login](#)

If your institution uses the OpenAthens service, you may log in to ClinicalKey using your username and password for your institution.

> [Other institution login](#)

For services other than OpenAthens, log in to ClinicalKey using your username and password for your institution.

Remote access

Access ClinicalKey from outside of your institution's network by enabling remote access. This is strongly recommended for users of the ClinicalKey mobile app.

[Data privacy information of the service](#)

The information above would be shared with the service if you proceed. Do you agree to release this information to the service every time you access it?

Select an information release consent duration:

- ☐ Ask me again at next login
- I agree to send my information this time.
- ☒ Ask me again if information to be provided to this service changes
- I agree that the same information will be sent automatically to this service in the future.
- ☐ Do not ask me again
- I agree that **all** of my information will be released to **any** service.

This setting can be revoked at any time with the checkbox on the login page.
