Hibrit ve Gold Açık Erişimli Dergiler

[11/02/2026]

WILEY

Wiley Hibrit Dergileri – Yazar İş Akışı

Makaleler yayımlanmak üzere kabul edildikten sonra, yazarlar makalelerinin yayın sürecindeki bir sonraki adımları tamamlamak üzere **Wiley Author Services** sistemine davet edilir.

Yazarların; yazar rollerini, araştırma fon sağlayıcılarını, kurumsal bağlılıklarını teyit etmeleri ve makalelerinin **abonelikli (kapalı erişim)** ya da **açık erişim** olarak yayımlanıp yayımlanmayacağını seçmeleri gerekir. Açık erişim seçeneği tercih edildiğinde, yazarlardan bir **Creative Commons lisansı** imzalamaları istenir. Ardından, sorumlu yazarın bağlı olduğu kurum bilgileri esas alınarak, kurumlara iletilmek üzere **APC fon başvuruları** oluşturulur.

TUBİTAK'taki **Açık Erişim (OA) yöneticilerinin**, kendilerine gelen bu başvuruları hesapları üzerinden inceleyerek **onaylaması veya reddetmesi** gerekmektedir.

AUTHOR WORKFLOW GUIDE [HERE](#).

Make your article open access within a hybrid* journal

Open access payments made easy
with your institution or funder

STEP 1

Once your article is accepted, register or log in to Wiley Author Services at www.wileyauthors.com.[†] Under My Articles, look for your article and click **Manage Article**. Look for a message from your institution or funder and click **Select Open Access**.

STEP 2

CONFIRM YOUR FUNDER(S)

You may be asked to add or confirm the funder(s) you entered during submission. Select your funder from the dropdown list or click **Add Funder** and start typing to search. You may also tick **"I did not receive funding for this article."** Then, enter any grant details.

STEP 3

CONFIRM YOUR AFFILIATION(S)

You may be asked to add or confirm the affiliation(s) you entered during submission. You may also tick **"I am not affiliated with any institution, company, or university for this article."**

STEP 4

SELECT OPEN ACCESS

When prompted, select **"Yes, make my article open access."**^{*}

Your institution will be notified of your request and asked to approve.

STEP 5

If your request is approved, you will receive a confirmation email. Your accepted article is then published **open access** under a Creative Commons license on Wiley Online Library.

If your request is denied, you will receive an email asking you to pay for **open access**.[†] Paid articles are then published open access under a Creative Commons license on Wiley Online Library.

* A hybrid journal is one which accepts articles through a subscription model as well as offering an open access option.

† Be sure to register for Author Services with the same email address used when submitting your article.

* If you don't select open access, your manuscript will be published as a subscription (closed access) article. Once published in Early View or in Issue online you may no longer be able to publish open access through your institution or funder. Check with your institutional or funder contact, as policies vary.

† If you are unwilling or unable to pay for open access, your article will be published on Wiley Online Library as a subscription article.

Copyright ownership

The following steps will establish who has copyright ownership for the work.

After we have identified the relevant copyright owners, we will provide instructions on how the license(s) can be signed and submitted.

Do you own the copyright to this work?

Please select and confirm from the following options

☐ Yes, I own the copyright to this work
This is the correct selection for many works
In most academic and healthcare institutions, faculty retain the copyright for work that they have authored. Please check with your institution to see if different policies apply.

☐ No, I do not own the copyright to this work
Another party may own the copyright to this work
This can apply if:

- This work was completed as part of official duties during the course of employment. Example employers where this can apply:
 - Local government agencies (U.S., U.K., etc.)
 - Private companies
 - Intergovernmental Organizations (IGOs) or Non-governmental Organizations (NGOs)
- There is a related clause outlined in the original statement of work
- The work has been contracted or 'made for hire'

Wiley Tam Açık Erişimli Dergiler İçin Yazar İş Akışı

Yazarlar, makale gönderimi aşamasında APC fonlama talebi başvurusunda bulunabilirler; bu aşamanın kaçınılması durumunda, makaleler hakem değerlendirmesinden geçip yayın için kabul edildikten sonra ikinci bir fırsat sunulacaktır.

Tayin edilen sorumlu yazışma yazarlarının, makaleler yayınlanmak üzere kabul edildikten sonra rollerini ve kurumsal aidyetlerini yeniden onaylamaları gerekecektir; sistem, makalelerin ilgili kurumlar tarafından APC kapsamına alınıp alınamayacağını doğrulayacaktır.

Kurumsal Açık Erişim (OA) yöneticilerinin, hesaplarına gelen başvuruları incelemeleri ve onaylamaları/reddetmeleri gerekecektir.

Makale Gönderimi

Gönderimi yapan yazarlardan kurum bilgilerini ve fonlayıcı detaylarını onaylamaları, ayrıca herhangi bir yapay zeka kullanımı veya çıkar çatışması olup olmadığını beyan etmeleri istenecektir.

- ☐ I am aware that this journal requires all authors to disclose any potential sources of conflict of interest in the manuscript.
- ☐ I confirm that all the research meets the ethical guidelines, including adherence to the legal requirements of the study country.
- ☐ I confirm that the manuscript has been submitted solely to this journal and is not published, in press, or submitted elsewhere.
- ☐ This manuscript and the data it contains are unpublished and original.
- ☐ I confirm that the following required element, described in detail in this journal's [Author Guidelines](#), has been included within my manuscript:
 - ☐ I confirm that an iThenticate check has been run on this manuscript before beginning the submission process to ensure there is no overlap with other published works.
- ☐ I acknowledge that my name, email address, affiliation, and other contact details the publication might require will be used for the regular operations of the publication, including, when necessary, sharing with the publisher (Wiley) and partners for production and publication. Learn more at <https://authorservices.wiley.com/statements/data-protection-policy.html>
- ☐ Yes, all co-authors have reviewed this journal's licensing options and, on behalf of all co-authors, I confirm that all co-authors have the full power, authority and capability (i) to agree to the terms of one of the licenses offered by this journal and (ii) to grant the rights set forth in such license for the publication of this submission. The submitting author is expected to consult all authors to find out whether any of their funders has a policy that restricts which kinds of license they can sign, for example if the funder is a member of Coalition S. Information about licensing options is available [here](#).
- ☐ Authors are required to declare the use of any Artificial Intelligence Generated Content (AIGC) tools such as ChatGPT and others based on large language models (LLMs) used in developing any portion of their manuscript within the Methods section of their manuscript. Content created by artificial intelligence is discouraged, unless part of formal research design or methods and is not permitted without clear description of the content that was created and the name of the model or tool. In addition, these tools cannot fulfil the role of, nor be listed as, an author. You can read [Wiley's AI policy in full in the Best Practices Guidelines on Research Integrity and Publishing Ethics](#). Please confirm that your submission adheres to this policy.
- ☐ I acknowledge and accept that Wiley will use my submission data, whether my manuscript is accepted or rejected for publication, with Wiley's internal AI tools solely to improve submission, screening, and peer review workflows in accordance with Wiley's [privacy policy](#). For example, Wiley's AI tools can extract text from my manuscript to autofill required metadata fields, saving me time from manual input.
