

## **Information about the International University of Tourism "Silk Road"**

The International University of Tourism "Silk Road" was founded in 2018 at the Summit of the Shanghai Cooperation Organization in Qingdao (China) By the President of the Republic of Uzbekistan Sh. Mirziyoyev.

The purpose of the university is to train highly qualified personnel in the field of tourism, cultural heritage for the countries of the SCO region.

The Silk Road International University of Tourism is the first state university where education is conducted in English. Leading foreign professors and teachers were involved in the training, and the first practical HoReCa Academy was created.

The University works in close cooperation with leading universities in Asia, Europe, America and other countries on science, innovation and joint projects.

The Silk Road University of Tourism has dual degree educational programs with Indonesian, Chinese, Russian and Macedonian universities.

Students of the university (number of 1200 students-2021) study in a smart campus equipped according to the standards of prestigious higher educational institutions of the world. Special attention should be paid to the educational and industrial complex, which includes hotel rooms, a bar-restaurant, a conference hall for 250 people equipped with advanced technologies, a universal sports hall, a swimming pool, as well as an ultra-modern library decorated in a modern style and acting as a full-fledged high-tech center of tourist knowledge.
