

REPUBLIC OF TÜRKİYE
ÇANAKKALE ONSEKİZ MART UNIVERSITY
QUALITY ASSURANCE POLICY

Embracing the slogan “*All Together, Forward*”, **the quality assurance policy of our university** covers the assurance and execution of the institutional quality system which;

1. Adopts a sustainable approach by managing quality processes in line with the mission, vision and core values of the institution,
2. Carries out activities focused on planning, implementation, monitoring and improvement with a holistic approach in achieving strategic goals,
3. Creates added value by increasing capacity in R&D and P&D activities and strengthening collaborations,
4. Strengthens the facilities and resources to support education and training processes, increases the competence of the lecturers, and raises individuals of preferred quality in their field by bringing these elements together,
5. Carries out sustainability activities for the benefit of society and the environment and creates impact in this field,
6. Increases institutional competitiveness and reputation at national and international level,
7. Strengthens stakeholders' active participation, satisfaction and belonging,
8. Disseminates quality-oriented institutional culture,
9. Strengthens and effectively manages institutional resources,
10. Raises quality standards by supporting institutional accreditation and program accreditation processes.
